

NOTICE OF 2016 TAX YEAR PROPOSED PROPERTY TAX RATE FOR DUMAS CITY

A tax rate of \$0.290891 per \$100 valuation has been proposed by the governing body of DUMAS CITY. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of DUMAS CITY proposes to use revenue attributable to the tax rate increase for the purpose of funding the FY 2017 General Fund administration and operations expenditures.

PROPOSED TAX RATE	\$0.290891 per \$100
PRECEDING YEAR'S TAX RATE	\$0.290891 per \$100
EFFECTIVE TAX RATE	\$0.288057 per \$100
ROLLBACK TAX RATE	\$0.310991 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for DUMAS CITY from the same properties in both the 2015 tax year and the 2016 tax year.

The rollback tax rate is the highest tax rate that DUMAS CITY may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
